Swimming Pool Service Agreement Toms River Area

POOL OPENING: This service consists of the following:
 Carlton will remove Solid Custom Cover or Winter Cover with Waterbags, cover will be cleaned with hose and brushed clean, folded, and stored on customer's premises.
 Assembly of filter system (includes 1 filter). Prime and start pump (includes 2 pumps). Set all valves. Add DE to filter if applicable (customer to supply). Heater start up with only a cursory visual inspection (NO PARTS). All skimmers, skimmer baskets and lids will be wiped clean. All equipment and pipes at filter pad will be hand wiped clean (EXTERIOR ONLY).
 Assembly of accessories (diving board, handrails, and/or ladders). All plugs for equipment will be left on site with customer.

Additional Costs at Opening as may be required for your pool

1. Return trip fee to re-start pool due to low water \$160
2. Reprogramming of controller \$100
3. Second filter, heater, or in-floor cleaning system \$130
4. Repairs: Necessary repairs to any equipment not covered by warranty will be billed separately at regular pricing.
5. Chemicals
6. Vacuuming of pool/spa at opening
